

Testimonials

You get a lot more than what you pay for. They are fair and honest.

I would definitely recommend CompuOne.

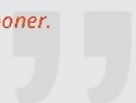

—Saeed S., SK Express Inc.

Compuone is one of our best vendors in terms of their technical knowledge, professionalism, and the value they bring to the table.

—Ted M., Lumenance

We trust Compuone with all aspects of our IT needs including web hosting, email, computer installation and all software purchases. I wish we had discovered Compuone much sooner.

We're Here To Back You Up

Providing Custom IT Solutions
In San Diego Since 1997

Say "Hello" to an IT Partner You Can Count On

CompuOne is an IT services company that has grown since its incorporation in 1997 as a leading systems integrator. We understand the challenges that the small and medium-sized companies we serve face in growth, efficiency, and most importantly working with other companies you trust.

Here at CompuOne we connect with you on a personal level to gain your trust and get to know your business so we can work together to customize IT solutions that will lead to a better future for your company.

Say hello today and let's face technology together.

Sincerely,
Tera & Tony - Owners, CompuOne
